ABOUT PLAY IT FOREWARD 518, INC.

Play It Forward 518, Inc. is a 501(c)(3) that assists children and families in the Capital Region facing illness and/or hardship.

The foundation was established in 2015 by cancer survivor Joe Watroba and his family to support local children and families. During Joe's treatments in 2007, the Watroba family was lifted by the support they received from the community which inspired them to establish Play It Forward 518.

To date over \$80,000 has been raised to support diversion activities for patients at the Melodies Center for Childhood Cancer at Albany Medical Center and wishes for local children through Make-A-Wish NENY.

Our game plan is simple, to bring together individuals and businesses of the community to support important and worthwhile causes for those in need.

We look forward to your support as we all work together to "play it forward" in 2019!

MAKE-A-WISH NENY

2018 Wish Recipient, Laney and her sister at Walt Disney World.

Since our inception, Play It Forward 518 has sponsored heartfelt wishes for children facing a life-threatening medical condition. Whether it's a trip to attend the NFL Pro Bowl, a trip to Disney World or a week exploring Yellowstone National Park, funds raised help create life-changing wish experiences for children and teens. We are able to bring hope, strength and joy to wish kids right here in our community when they need it most. This year, funds will once again sponsor a wish for a local child in the 518 area code.

2015 Wish Recipient, Tommy at the NFL Pro Bowl

MELODIES CENTER FOR CHILDHOOD CANCER

At the Melodies Center for Childhood Cancer at Albany Medical Center, Play It Forward 518 provides patient diversion activities throughout the year. These activities allow patients and their families the opportunity to share quality experiences together during a challenging time.

ACTIVITIES HAVE INCLUDED:

Siena Saints Honorary Captain Program, Holiday Parties, Super Bowl Parties, American Girl Doll Fashion Show VIP Experience, Spa Day, Tickets to local events/concerts, A special evening in Saratoga, Enhancements and support of the Melodies Teen Room, and more!

Nintendo Switch Game System Donation
